Dear Madam:

On March 1, 2007, Susan Ungar and Christine Lekutis discussed the 112 rejections of record. Applicant understood that amending the claim set to recite one or more of "SEQ ID NO:1, SEQ ID NO:2, SEQ ID NO:21 and SEQ ID NO:22" would likely overcome the written description rejections. In addition, Applicant understood that the Office would consider additional claim amendments in view of the enablement and indefiniteness rejections.
